### WSU CONDUCTING CITIZEN SURVEYS FOR THE CITY OF TROTWOOD'S CITY SERVICES

[TROTWOOD, Ohio] In an effort to better serve the citizens of the City of Trotwood, Wright State University (WSU) has been retained to conduct citizen surveys to gain input from residents during the next few weeks. Wright State University's representatives will be conducting telephone calls to citizens, asking pertinent questions about the current city services being offered, as well as gathering information on improvements that can be made.

The City of Trotwood's administration is asking for the cooperation of all citizens contacted by WSU representatives by responding to all questions asked and offering as much feedback as possible.
