HEADING Print your name, address and social security number plainly or make needed corrections if already printed. If you have moved, indicate date of move, present address and old address. Indicate whether you are filing a single return, married filing joint or married filing separately. Please provide your home phone number so that we may contact you with any questions regarding your return. Include your email address.

SECTION A If you have reviewed the taxable / nontaxable income listings and your only source(s) of income is from a nontaxable source, or if any of the exemptions apply and you have no taxable or reportable income, complete Section A and C only. If you have taxable income or compensation, you must complete Section B.

SECTION B List each W-2 and 1099-misc separately. Attach a separate sheet if necessary. (If 1099-misc is included in gross receipts on Schedule C, do not list here. Schedule income is reported on Line 2). For each W-2, enter the employer's name, the address where work was actually performed, the amount of Trotwood tax withheld, credit for other city tax withheld (see instructions for line 5B below.) Attach all W-2's and 1099-misc forms, Federal schedules, Federal 1040 page 1. (Photocopies are acceptable).

LINE 1 Add the totals in each column and enter in the appropriate boxes.

LINE 2 Enter the total of all other income and adjustments, from reverse of tax form (worksheet). All schedules must be attached.

LINE 3 Add lines 1 and 2. This is the amount of income subject to tax.

LINE 4 Multiply the amount of income on line 3 by 2.25% (.0225)

LINE 5 Credits.

5A Enter the total Trotwood tax withheld.

5B Enter a credit for the tax you paid to other cities on the income you have reported on this return. **DO NOT ENTER THE ACTUAL AMOUNT OF TAX YOU PAID.** You must calculate the credit by using the following steps:

STEP 1 If all of your income was earned in a city with a tax rate equal to or less than 2.25%, your credit is the amount of tax withheld (provided the amount withheld is correct).

STEP 2 If your income was earned in a city with a tax rate that is greater than 2.25%, determine what portion of your W-2 wages had tax withheld at the greater rate. Then, multiply that part of your W-2 wages by 2.25% to find your credit. This step must be completed for each W-2. Please note that for both steps 1 and 2, if income has been pro-rated, credits must also be pro-rated.

5C Total of tax year 2013 estimated tax payments that you have paid to the City of Trotwood.

5D Prior year tax overpayment that you have carried forward for use on this return. (Do not include amounts refunded to you).

5E Add 5A through 5D. This is your total tax credit.

LINE 6 Subtract line 4 from line 5E. If line 4 is greater than line 5E, you have a balance due. (\$5 or more).

LINE 7 If line 5E is greater than line 4, you have an overpayment of tax. (\$5 or more). Indicate whether you prefer to credit this to tax year 2014, or have this overpayment refunded. Allow 90 days for processing of a refund. Note: If you had no Trotwood tax withheld, or estimated tax paid, or prior year credits, and you show an overpayment of tax, please re-check your calculations as there is no refund due.

LINE 8 Late payments, late filing and/or underpayment of estimate will result in the assessment of penalty and interest charges. Please contact our office for appropriate rates if applicable.

LINE 9 Balance due. Line 6 plus line 8. **DO NOT STOP HERE.** You must complete lines 10-14.

LINE 10 Total estimated tax due for 2014. (Income multiplied by tax rate of 2.25%).

LINE 11 Less credits for tax to be withheld by employers, and prior year credit carried forward.

LINE 12 Net tax due. (Line 10 minus line 11).

LINE 13 First quarter estimated tax due (at least 22.5% of line 12. By paying 22.5% each quarter, you will have 90% of your liability paid prior to filing of your 2014 Individual Income Tax Return).

LINE 14 **TOTAL DUE.** Line 9 plus line 13. **PAYMENT IN FULL IS DUE BY 4/15/14.**
 Please make checks payable to the City of Trotwood.
