2019 TROTWOOD INDIVIDUAL INCOME TAX RETURN

GENERAL INFORMATION

WHO MUST FILE	Residents: All residents (including part-year residents) of the City of Trotwood are required to file an annual income tax return. A return is required regardless of income or employment status. Active duty military personnel, unemployed persons, or other persons with no reportable income or loss for the current year are also subject to the mandatory filing requirements and must file a city tax return each year. Non-Residents: Non-residents of Trotwood who have taxable income or loss, earned or derived from within the City, from which Trotwood tax was not withheld, must file a return. Part Year Residents: If you only lived in Trotwood during part of the taxable year, you must file a return covering that time. You must calculate both your tax liability and tax credit only on the portion of your income earned as a Trotwood resident. Income earned in Trotwood may NOT be pro-rated. Pay statements with year-to-date figures must be used if available. If actual records are not available, you may break down your earnings by the number of months employed at the job to determine your monthly earnings. This figure may then be multiplied by the number of months you lived in Trotwood to determine your Trotwood taxable income. If you pro- rate your taxable income, you must also pro-rate your city tax that was withheld on the same income. Attach a worksheet explaining your calculations.
DUE DATE	Your City of Trotwood Individual Income Tax Return is due on or before APRIL 15, 2020 and should be mailed to: City of Trotwood Income Support Services, 4 Strader Drive, Trotwood, Ohio 45426
PAYMENTS	Make checks or money orders payable to City of Trotwood Income Support Services. Online payments can be made on our website at www.trotwood.org via credit card or debit card. A convenience fee will be added for all credit card and debit card transactions.
EXTENSIONS	Taxpayers who have requested an automatic 6-month extension for filing their federal income tax return shall automatically receive a 6-month extension for the filing of their city tax return. A copy of an approved federal extension must be attached to your return at the time of filing. Taxpayers who have not requested a 6-month extension for their federal income tax return may be granted a 6-month extension by submitting a request to the Tax Administrator by the due date of the return. An extension of time to file is not an extension of time to pay taxes due. Penalty and interest charges will apply to all payments received after the return due date.
ESTIMATED TAX	Taxpayers who anticipate a net tax liability of \$200.00 or more are required under Ohio law to make estimated tax payments. Quarterly estimated tax payments are due on April 15, June 15, September 15, and January 15. Estimated tax payment vouchers and instructions are available on our website.
REFUNDS	Refunds are allowed only when city income tax has been paid to or withheld for Trotwood. Refund requests must be filed on the City of Trotwood Refund Request Form. Failure to do so may delay processing of the refund request. Year statute of limitations. Overpayments of \$10.00 or less will not be refunded.
TAXABLE INCOME	Taxable income includes but is not limited to the following: Qualifying Wages, salaries, commissions, other compensation, wage continuation plans (includes retirement incentive plans and buyouts), contributions made by or on behalf of employees to a tax deferred annuity plan (401k plans and the like), bonuses, directors fees, fringe benefits such as car allowance, stock options, gambling winnings, net profits from the operation of a business, profession, enterprise or other activity and royalties.
EXEMPT INCOME	Exempt income includes but is not limited to the following: interest, dividends, military pay and allowances, social security benefits, welfare benefits, unemployment insurance benefits, worker's compensation, proceeds from qualified retirement plans as defined by the IRS, capital gains, alimony, contributions to a section 125 plan (cafeteria or flexible spending account), proceeds of sickness, accident or liability insurance policies and disability payments.
S-CORPORATIONS	Individual shareholders should not include any gain or loss from an S-Corporation on their individual return. S-Corporations doing business in Trotwood must file a City of Trotwood Business Income Tax Return. Forms are available on our website.
OTHER INCOME / LOSS CALCULATION	All business income and/or loss must be netted together to arrive at an overall net profit or loss for the current year. Business income includes, but is not limited to, activities reported on Federal Schedule(s) C, E, or F and ordinary gains reported on Federal Form 4797. If netting results in an overall loss, the loss may be carried forward for a period not to exceed five (5) years (subject to limitations in Ohio Revised Code Chapter 718.01). Note that a loss from business activities may not be used to offset wages reported on Form(s) W-2, gambling winnings reported on Form(s) W-2G, or other miscellaneous income reported on Federal Form 1040.
PENALTY AND INTEREST	A \$25.00 late filing penalty will be imposed for the failure to file a return by the due date for every month it is late up to \$150.00. (Regardless of balance due shown on return). A 15% penalty will be imposed on the balance of unpaid tax due as of the first day after the original due date of the return. Interest will be imposed on the balance of unpaid tax due beginning with the first day after the original due date of the return. The interest rate is adjusted annually based on the federal short-term rate + 5%. Please visit our website (www.trotwood.org) for the current interest rate.
