Leaf Pickup Program

The Public Works Department will once again be picking up leaves from curb sides this fall. Citizens may rake leaves into piles at the curb, but not into the street. No sticks or other debris should be included – leaves only! Do not bag your leaves. Any cars parked on the street should be moved, so that our crews can remove leaves safely and effectively. Citizens may obtain schedules and zone maps on the City of Trotwood website at www.trotwood.org

Also, Rumpke will provide disposal of bagged leaves on your normal trash pick-up day (limit of 10 bags, per trash pick-up date); residents may call (937) 461-0004 for more information. The program will begin (by zone) on October 21st and run through December 23rd (weather permitting).

More than a Job a Career

POLICE OFFICER POSITION

Interested in Applying?

Pay & Benefits:

- Salary Range: \$22.29 - \$32.60
- Paid vacation, sick leave, personal and holidays
- Group Health, HSA, Medical Opt-Out,

COMMUNITY CONNECTION

FALL 2020

Message From the Mayor, Mary A. McDonald

Hello Trotwood Family,

I hope you had a great summer. The COVID-19 pandemic has been challenging for all of us. However, our community continues to be resilient by finding creative ways to establish a new normal in order to remain a city of growth and progress.

The upcoming November election is not far off. Each one of us has the opportunity to have our voice heard by voting, so be sure you are registered to vote by October 5, 2020. You may also want to consider voting early. Early voting allows you to exercise your right to vote, yet avoid the crowds. Your vote is critical in every election and always appreciated.

Another vital process still happening is the 2020 U.S. Census. I recently received an update on the response by Trotwood citizens and the number is troubling. To date, we have responded at a rate of only 54%. This low response is very concerning because accurate accounting of how many citizens live in Trotwood is needed in

order to determine how much federal funding flows into our community every year over the next ten years. These numbers shape many different aspects and needs of our community including fire and police departments, schools, roads and highways, and how to respond to natural disasters. They also have a direct impact on our children's lives through resources for health insurance, child care, food assistance, and early development programs. In addition, the number of seats a state represents in Congress is determined by each state's population as collected through the census data; therefore, we must respond to the census so that we are appropriately represented by our legislators.

The U.S. Census is mandated by the U.S. Constitution and allows us only ONE chance each decade to count every resident in the United States. The count is not intrusive and by law, your answers and private information is never published and cannot be used against you by any government agency or court.

Trotwood, we need you - this is an urgent appeal. Please take time today to do your part and complete the 2020 U.S. Census. Each and every one of us must do our part to make Trotwood the successful community we all desire. Please make sure your voice is heard and that your household is counted.

Mayor Mary McDonald
City of Trotwood, Ohio

2020 City Council Meetings

City Council meetings are held on the **FIRST** Monday of the month at 6:30 p.m.

Due to COVID-19, meetings have been held virtually; therefore, please check the City's website each month for meeting details.

Message From the City Manager Quincy E. Pope

The senseless killing of George Floyd has sparked outrage and a new conversation about racism and the impact it has on underrepresented populations.

We live in a country that is endowed with rights to life, liberty, and the pursuit of happiness no matter what your race. However, many minorities and underrepresented people still don't have equal access to nutritious and healthy foods, healthcare, education, employment opportunities, and affordable housing because of systematic racism and

discriminatory practices.

On July 6, 2020, the Trotwood City Council passed resolution 20-74 denouncing racism, discriminatory practices, policies, and procedures. This action demonstrates Trotwood has chosen not to be silent but to add its voice to that of others across the country seeking to end racism and end the disproportionate suffering of the underrepresented.

I am proud of our Community, Mayor, City Council, and administrative staff for being progressive leaders and further demonstrating why Trotwood is a wonderful place to live and raise children. Many of you have lived in Trotwood for years and know that we are one of most diverse communities in the State of Ohio and been the example for others to model. Our policies and practices reflect a progressive environment that is equitable and inclusive for everyone, without regard to gender, race, religion etc...

Finally, we declare racism a most urgent public health issue and understand that we must collectively recognize and address racism as a crisis that demands our attention and a true commitment to long-term change.

Sincerely,
Quincy E. Pope Sr.

CITY OF TROTWOOD IMPROVES COMMUNICATION OUTREACH WITH CITIZENS VIA AGREEMENT WITH HYPER-REACH

The City of Trotwood is proud to announce a partnership with Hyper-Reach, a telephone-based mass notification system. During our strategic plan meetings, some of our citizens expressed difficulty in gathering timely information regarding emergencies. In response to our citizens' needs, our team explored options that would improve communication without requiring access to the internet. Hyper-Reach is a cost effective method of reaching citizens through the use of any phone.

The City of Trotwood is asking every citizen to sign up for the free alert system. The city will use this tool to share emergency alerts, informational notices, events, and other items of interest, according to each individual's preferences. Registering for the free service is as simple as

- texting "alerts" to 937-563-4666
- going to <http://hyper-reach.com/ohtroutwoodsignup.html>.

For more information please contact Ciara Lewis 937-854-7228 or Cheryl Wheeler 937-854-7215.

2019 Drinking Water Consumer Confidence Report

Customers may view the 2019 Drinking Water Consumer Confidence Report (CCR) at <https://trotwood.org/2019ccr/> or contact Public Works at 937/837-1702 to request a paper copy. Hard copies are also available at both the Public Works Building at 2400 Olive Road and the Government Center at 3035 Olive Road (1st floor entryway brochure holder)

Trotwood Police Department Safe Driving Tips

Motor vehicle crashes are on the rise in the Trotwood Community and the COVID-19 pandemic has brought many additional driving risks into the spotlight. Speeding, in particular, has become more common across the region, as many streets have seen significant drops in traffic. While this drop in traffic has helped lead to a decrease in overall crash-related deaths, Trotwood has actually seen an increase in the fatality rate per miles driven. Driver distraction and failure to yield to traffic control devices makes this problem even worse, which is why the Trotwood Police Department is offering the following driving safety tips.

Focus on driving

- Keep 100% of your attention on driving at all times – no multi-tasking.
- Don't use your phone or any other electronic device while driving.
- **Slow down.** Speeding gives you less time to react and increases the severity of an accident.
- Pay attention to changing traffic signals.
- Don't eat or drink while driving.

Drive "defensively"

- Be aware of what other drivers around you are doing, expect the unexpected.
- Assume other motorists will do something unexpected, always be prepared to avoid it.
- Keep a 2-second cushion between you and the car in front of you.
- Make that 4 seconds if the weather is bad.

Practice safety

- Secure cargo that may move around while the vehicle is in motion.
- Don't attempt to retrieve items that fall to the floor.
- Always wear your seat belt and drive sober and drug-free.

City Parks & Recreation

For current information regarding events, please check the website and Facebook page.

The City of Trotwood will have a Veteran's Day Acknowledgement on November 11, 2020 presented by Mayor Mary McDonald. Detailed information for this presentation will be posted on trotwood.org and City of Trotwood Facebook page.

NO RENTALS

of City Parks and Facilities for the remainder of 2020 due to COVID-19.
